## Support United Cursillo #83 and #84 at Excelsior Covenant Church in Excelsior, Minnesota

The Men's Cursillo #83 will take place April 23-26. The Sunday morning serenade (5:30 a.m.) and the evening serenade (5:30 p.m.) are open to the 4th Day Cursillo Community. The weekend theme is "One in the Spirit and One in the Lord," and the scripture is Psalm 104:30.

Women's Cursillo #84 will be April 30-May 3. The weekend theme is "And I will say of the Lord, He is my refuge and my fortress; My God, in Him will I put my trust" (Psalm 91:2). The Sunday 5:30 a.m. serenade is for sponsors and team only, while the Sunday evening serenade is for the Fourth Day Community at 5:30 p.m.

Special Palanca Note: There is an extra table for the women's weekend, resulting in 6 more participants and 2 more silent table leaders. The Rollo Room will have 56 women at the tables, plus 8 persons in leadership.

Please call the team rectors to see how you may assist the team with special Palanca such as food contributions towards some of the meals or time commitments to help with the Agape Dinner or clean-up.

Palanca food or garden flowers or cooking or serving or washing dishes to the Kitchen team. Assist the 4th Day team in set-up for the Agape dinner or music for the Closures or in cleanup afterwards. However, please contact the appropriate team leader to coordinate this effort.

Remember to nurture and support all the participants going through on these weekends from your own churches afterwards. Perhaps one of the greatest gifts you can give them is to help them find renewal groups.

## Hear Ye! Hear Ye! All 4th Dayers

One of the surprises and moving experiences for the weekenders is to find out how many people are in prayer and support of their weekend through the notes that are read in the Rollo Room. Please give some thought about sending a short note. Some of you may like to honor the weekenders with a palanca contribution to a food shelf, homeless shelter or a charity of your choice. Or ... you might like to enclose a check with your palanca note to help cover the weekend expenses. Checks can be made out to United Cursillo# \_\_. I will make sure both the notes and other palanca are delivered in time for each week-end.

## Annual Allocation Meeting

The annual meeting for United Cursillo church liasons will be held during the April Cursillo weekends at Excelsior Covenant Church. There will be meetings on BOTH Sundays, April 26th and May 3rd at 4:30 p.m. The meetings will be over in time for the evening serenade. Each church should plan to have a pastor and a lay liason attend one of these meetings. Thanks!

## THANKS!

A special "Thank you" is extended to the 4th Day Teams and other volunteers for United Cursillos #81 & #82. The extra work done on the new backdrops and Agape Dinner decorations was very much appreciated.  
 Bill Allbright, Supplies Coordinator

Dear Cursillistas,

### Council Positions

Recently a fellow Cursillista told me he likes Cursillo because "it's not too organized." He meant it as a compliment, and I think he's right. Certainly, United Cursillo lacks organizational charts, third vice presidents, paid (or unpaid) staff, and other normal symptoms of a highly structured group.

But alas, even Cursillo has to do business, and in our case, that is done by the Cursillo Council. This group consists of 15 lay members and 3 clergy members who work diligently to continue this unique, ecumenical Cursillo movement in Minnesota.

The process of selecting and training leadership and clergy for weekends, choosing church sites, maintaining supplies, coordinating palanca, supporting renewal activities, managing finances, publishing the *Palanca Press*, and more, fills much of the spare time of most members of the Council. Nevertheless, Council members will tell you that they receive much more from their service than they give (kind of like serving on a team).

At this time of year we begin the process of inviting 5 new lay members and 1 new clergy member on to the Council to replace the members completing their 3 year terms. (This year we have 2 clergy spots to be filled).

Please take time to recommend to us Cursillistas whom you believe could be considered for Council positions. They should be active in Cursillo and in their home church, and should evidence a life of faith in Jesus Christ. Diversity of age, gender, geography and church affiliation is important in the Council. We encourage you to nominate yourself if you believe you can contribute. Please complete the form on the reverse and return it to the designated address as soon as possible.

### JOG Contribution

Again this year we are requesting that you prayerfully consider contributing a JOG (*Joy Of Giving*) donation.

The United Cursillo probably gets as much accomplished per dollar expended as any Christian ministry, while keeping the cost to

(continued on back...)

weekenders to a minimum. We naturally rely upon the thousands of hours donated each year by team members, but we also need the annual financial donation.

Currently, United Cursillo spends slightly over \$20,000 per year. Our needs are modest, but they are real. The direct expenses of each weekend, such as the cost of food and supplies, are usually covered by JOG from team members and weekenders and from collections at Closuras. Additional funds are needed, however, to cover ongoing expenses such as the *Palanca Press*, the Fourth Day roster, the supplies and supply trailer, team manuals, and insurance.

We depend upon the several thousand dollars raised each year in response to this annual JOG appeal to keep Cursillo going. This year our outflow has already outpaced our receipts by more than \$2,000. Please consider making a contribution at this time.

## Convenor's Comments

As members of the Fourth Day Community, each of you have the opportunity to sponsor your brothers and sisters in Christ through a Cursillo weekend. What a joy it is to share this renewal experience with others! As you identify potential weekenders, however, you should be aware that Cursillo is not available to everyone. The following explanation of the guidelines, and the reasons behind them, may clear up some questions that frequently arise:

a. Married Persons A married person can only participate as a Cursillo weekender if the spouse has attended Cursillo or is willing to do so. This policy developed primarily out of a concern for the health of the marriage relationship.

Cursillo is usually a positive, even life-changing experience for a weekender, but it may have a negative impact upon a marriage if only 1 spouse goes through. The initial lack of agreement by the couple regarding participation in Cursillo may, in itself, signal a problem. If so, that division may be compounded if one of the marital partners has a profound renewal experience on the Cursillo. Occasionally, exceptions to the married couple rule are made for health reasons, but the Cursillo Council remains committed to this policy.

b. Clergy Involvement Lay persons may not participate in a Cursillo weekend unless the minister of their church has been through Cursillo. This rule is critical since the basic purpose of Cursillo is not to create a separate movement within the Cursillo Community, but rather to inspire Cursillistas to make renewed commitments to the work of their own churches. Unfortunately, if the ordained leaders of a church have not experienced Cursillo, they may misinterpret the fervor of lay Cursillistas within their church, and the Cursillistas may not feel the support of their church community as they move into the Fourth Day.

Occasionally, because of a change in ministers, a church with a strong Cursillo community will have clergy who are not Cursillistas. The question of how long that church can continue sending new people through Cursillo is evaluated on a case by case basis.

c. Church Community A potential weekender must be active in the life of his or her church. Occasionally, we receive sincere and passionate pleas from people who believe their friends or family members will accept Christ into their lives and actively participate in a church if only they can experience Cursillo. The problem is that Cursillo is not designed to offer a conversion experience. Other ministries, including the membership and evangelism outreach programs from local churches, are better able to bring the Good News to people outside the church community and to effectively follow up until the new member becomes a viable part of the congregation. In the absence of an existing church affiliation, Cursillo weekenders are not likely to seek out a church community on their own.

In addition to considering these 3 criteria, a potential sponsor should evaluate where the prospective weekender is in his or her private life. A Cursillo weekend may not be appropriate for psychological problems or emotional turmoil in their lives. The Spiritual high of the weekend may be misinterpreted as a cure for these problems, and the inevitable let down we all felt as we came down from the mountain top may be devastating to someone who is already emotionally vulnerable. Other Christian resources, including the counseling ministers at many churches, are trained specifically for those situations.

In His Name,

Bob Zalk  
Convenor
