UEC registrations, income declining

Thank you for helping share God's grace with others through Unidos en Cristo (UEC). UEC is supported solely by the donations of our community, Joy of Giving (JOG) from our team members and through the registration fees for Weekenders.

The average cost of a weekend is \$4,500 (down from an average of \$7,250 prior to 2012). The average income is \$5,155. The good news is that we have been able to raise enough funds to cover most weekends. We do not, however, have enough to cover purchases such as new computers for the weekends, unless we dip into our money market account.

Although our income is down from previous years, as are our Weekender Registrations, the council has implemented several cost saving measures that have resulted in a significant decrease in weekend expenses:

1. Standardized menus
2. E-mailed Palanca Press instead of

paper copies for all Weekenders starting in 2013

3. Purchase of several items in bulk (Bibles, candles, crosses)

These measures have significantly reduced our costs in printing (Palanca Press), postage, food and the per item cost for Bibles, candles and crosses.

Although our costs are down significantly, our donations and registration fees are also down due to fewer Weekenders attending each weekend. In the last two years, our average number of Weekenders has been 16 men and 25 women. A full weekend is 36 Weekenders. In years past, we had waiting lists for most weekends.

What can you do? Sponsor someone! Let God lead you to those you should invite to a weekend. Remember that it is not your job to convince them to attend a weekend (that is God's job) but to give them the information. Has God brought someone's name to your mind? If He has – invite that person! Keep in

mind that God puts together these weekends – both team members and Weekenders. We just need to share the information with them.

Make a Friend, Be a Friend, Bring a Friend to Christ

Another way you can help is to donate. We are a chartable 501(c)(3) organization. Your donations to UEC are tax deductible. You will receive a receipt for all donations of \$100 or more (or if you request one). Donations can be sent to Unidos en Cristo, P.O. Box 390122, Edina MN 55439.

You can also donate to UEC through United Way. When you fill out the registration form, find the location to designate funds to a 501(c)(3) organization. List the name of the organization as "Unidos en Cristo" and list the address as 5108 W 74th Street, P.O. Box 390122, Edina, MN 55439.

Let us share the wonderful experience of UEC with others!

Convenor's Corner

By Steve Wilson,
convenor@unidosencristo.com

As a new year begins I would like to ask each of you to reflect back on your own Unidos en Cristo experience. How has your life changed as a result of your weekend experience in Christian living? Did your weekend experience have a lasting impact on how you live your life? Do you continue to experience God's grace in new and exciting ways as a result of your weekend experience? If you are able to give positive answers to these questions I would encourage you to consider passing on to others what has been given to you. Here are some ways for you to do just that.

First I would ask that you consider sponsoring others to attend a weekend. Pray that God will give you a discerning heart to know those within your sphere

of influence that He wants you to consider asking to attend a weekend. Do not be discouraged if they initially decline your invitation but continue to pray for them and to gently plant the seeds which may flourish and bear fruit in the future.

Second I would encourage you to consider serving on a team. There is always a need for team members in the Rollo Room, Kitchen Team, Palanca Team, and the 4th Day Team. Each of these teams are integral parts in the success of each weekend and each one needs members who are committed to serving God and the weekenders on each set of weekends. I would also encourage you to step outside of your comfort zone and serve on a team that you may not have considered before. This helps in your spiritual growth and provides you with new experiences and opportunities.

Third if you are unable to sponsor or serve on a team I would ask that you consider helping with just a portion of

the weekend. Maybe you could help set up for the Agape Dinner, or be a model for Stations of the Cross. There are any number of tasks that need to be accomplished over the course of a weekend and the team members are very appreciative if they have some extra hands around to help.

Finally I would ask that you prayerfully consider joining the UEC Council as a voting member or in a support role. UEC is a lay led movement and would not be able to function without the support and dedication of the many volunteers who give of their time and talents.

I would ask each of you to consider how God may be calling you to serve Him and how He may be calling you to pass on this incredible gift of grace that has been given to you. At the conclusion of your weekend you were given a cross. On the back of that cross it says "Christ is counting on you". He is counting on you and it is up to you, how you respond. Remember that God loves you and so do I.

A WORD FROM THE EDITOR

I would like to applaud Kathy Walker for the great contribution she has offered the Unidos en Cristo ministry over the course of the past several years. Kathy has served on the Unidos en Cristo Council in various positions as well as serving as Editor of the Palanca Press for the past seven years.

Kathy, thank you for your years of dedication and service to this ministry. I know your involvement does not stop but will be redirected through other opportunities.

As the new Editor of the Palanca Press I would like to introduce myself. I am Barb Laidlaw. Having been led by God to take on the responsibility of Editor of the Palanca Press, I do so with much appreciation for the UEC ministry.

My husband, Mark, and myself were introduced to UEC in January, 2006, when my sister and her husband sponsored us. Colonial Church, Edina, was the host site of the weekends we attended.

We are actively involved in the ministry at First Baptist, Grove City, and live near Grove City. When serving on team, I have frequently been asked, "where is Grove City?" It has been stated, in jest, that we "live at the far ends of the earth" or "put near to South Dakota."

Grove City is a small community in West Central Minnesota along Hwy. 12, nestled between Litchfield and Willmar, where the lakes area begins.

It is a privilege for me to be on this journey as your editor. If you have an article you would like to suggest for inclusion in the Palanca Press, please feel free to contact me at: palancapress@unidosencristo.com.

The Palanca Press is going electronic!

Did you know that the Palanca Press costs Unidos En Cristo approximately \$2,000 of your JOG donations per issue to print and send out? In an effort to save paper and reduce costs for UEC, the council has decided to deliver the Palanca Press primarily through e-mail beginning in October. With this change you will not have to wait any longer for the paper version. It will be e-mailed directly to you. You can then review it online or print your own copy – in color!

If you have provided your e-mail address to UEC on past weekends or teams, then you will automatically be transitioned to the electronic version. The June, 2014, issue will be the final paper copy you will receive unless you contact us to continue this service. You do not need to wait until October to start getting the electronic version; you can may switch for the June issue.

Please contact us as soon as possible, if:

- you can make the switch to the electronic version early
- your e-mail address has changed
- you do not have e-mail
- you prefer to continue receiving a paper copy of the Palanca Press.

Please send an e-mail with your name, information, and request to database@unidosencristo.com. You may also contact Teresa at 612-270-3876 or send in your request with all of your contact information to the address listed below if you do not have e-mail access.

If you choose to receive a paper copy of the Palanca Press, please consider making a nominal donation of \$5 each year to help cover the expenses of this service. Donations can be sent to the following address:

Unidos en Cristo, 5108 W. 74th St., P.O. Box 390122, Edina, MN 55439.

If you have any questions or concerns please e-mail convenor@unidosencristo.com

In loving memory

We joyfully celebrate the life and resurrection of each friend in Christ who has entered the Fifth Day:

Brad Wing, #117, St. Paul

Jeanne Marie Kluge - #236 - Litchfield

Don Boots - VDC #108 - Savage

Daphne Vierow, VDC, Cottage Grove

If you know of a Cursillista who has entered his or her 5th Day, please e-mail information to the Palanca Press Editor (palancapress@unidosencristo.com) for inclusion in the newsletter. Others in the 4th Day Community may have no other way of knowing that their friends in Christ have entered His presence. If you provide the name and address of family, a sympathy card will also be mailed to the family. Memorials given in memory of Cursillistas will be acknowledged in the Palanca Press, unless otherwise requested. Send them to the Unions en Cristo, 5108 W. 74th St., P.O. Box 390122, Edina, MN 55439.

Weekend offers renewal

By John O'Keefe, UEC #263 Men's Rector

I have always been amazed by the fruit of the Cursillo experience. Where else could you find 25 people open to stand up in front of 150 people they don't know and talk about their experience except at a Clausura? It seems to me that the Holy Spirit creates the safe environment for that very unusual event. The process amazes me every time I witness it.

I am also amazed at the Cursillo process. It works even when implemented by a bunch of amateurs, like me and the team I had the privilege to work with. That process of being assembled, bonding together and working the weekend is nothing short of a miracle. I have a deep love and appreciation for each person that served on the team and behind the scenes. It is hard to imagine a more focused and dedicated group of people. They are a witness to the love of Christ in the world. They are the true Christian Community in Action. My faith is strengthened by their witness.

Finally, there are the Weekenders. We prepared to serve them not realizing how they would touch us. We watched this bunch of strangers grow together, willingly walking the Cursillo process together. They taught us much about trust and faith. The Holy Spirit welded us together during the weekend and beyond. I am so grateful to have met these men and now call them brothers.

For the Fourth Day community, please do not forget the important work that is done on these weekends. The fruit is apparent in both the Weekenders and the team. This Cursillo process is a renewing experience. I know I needed renewal when I was called to serve. If you could use some renewal, serve. The Holy Spirit offers the safety that enables renewal. I know each of us has many obstacles that may keep us from considering serving on a UEC team. I ask you to not look at serving as an annoyance, but as a opportunity for renewal. Remember, Christ is counting on you.

Weekends #265 & #266 are coming up quickly.

The men begin their weekend on Thursday, January 30, the women on Thursday, February 6.

When you sign up to be part of a Week-

end Prayer Vigil, the Weekenders and the team realize the presence and power of God as they work for and worship Him during a UEC weekend. Have you prayed for a Weekender by name and then felt more connected to him or her as they share their UEC experience at the Clausura? Prayer connects us to God and to each other as a community.

The Prayer Vigil offers two opportunities to sign up to be praying for the weekend. Both Prayer Vigil opportunities will afford you to be included in the prayer updates throughout the weekend. The updates will act as a reminder to pray and also give a glimpse of what is happening on the weekend.

One option you may choose is to sign up for is an hour time slot.

If you are concerned you will be unable to pray for an entire hour or are unsure of your schedule, a second possibility is to choose to cover the weekend in prayer by selecting the "no time" slot.

Please help blanket both weekends with prayer by following the instructions below.

How to participate in the Prayer Vigil:

1. Log on to www.unidosencristo.com
2. Click on "4th Day" on the bar under "Unidos en Cristo"
3. Click on "Weekend Prayer Vigil"
4. Scroll down to the Sign Up section and enter your name, phone number, e-mail address and then sign up for Weekend #265 or #266.
5. You may also choose a one-hour time slot to pray, or choose to cover the weekend in prayer (by selecting no time slot).
6. Click on "Submit Prayer Times"
7. Click on "Prayer Vigil Tips" on the sign-up page for helpful suggestions and Scripture readings

You will receive reminder emails throughout the weekend as well as specific prayer requests.

If you have questions, contact the Prayer Vigil Coordinator for the weekend you are committing to pray for. Thank you for your support and prayers.

Holding hands with God and His family

By **Dave Kitchel, Feature Writer**

We have all felt it. As active, believing Christians, we know and love the feeling of our Lord's immediate presence. Sometimes it comes during prayer, or with our families, in church, maybe during a clausura or under a full moon on a warm summer night.

Maybe it is a palpable sense of intense thanks for His blessings, His guidance, His love, His grace. Maybe in prayer or meditation, with your eyes closed, your heart reaches out to Him. You say "I love you, my God," and He reaches back, touches your heart and He replies "I know. And I love you more."

Those are amazing and wonderful moments, and once you're familiar with them, it's hard to get enough. But this world of our temporary residence often makes it downright challenging to carve out time and a place to be with Him and only Him, to momentarily leave behind the clutter, noise and distractions of planet Earth.

Enter Unidos en Cristo weekends. On a UEC team, you're devoted to three nights and four days of intense closeness to the only Source of pure love and grace the world will ever know. His work is your mission, His family is your family, and the outside world pretty much

ceases to exist until you sing "Go Now In Peace" for the Weekenders filing out of the sanctuary.

For some of us, being on team is as good as it gets in this world. For some of us, belonging to the UEC family could easily become a lifestyle. And why not? Who wouldn't want to spend part of their life holding hands with God and his family?

Psalm 16:11 – "You make known to me the path of life; you will fill me with joy in your presence, with eternal pleasures at your right hand."

Support Council acknowledgement

The Unidos en Cristo Council would like to thank all of the members of the Support Council who give generously of their time and talents to assist in the various operational areas of the UEC movement. The joy of saying "yes"

By Bonnie Clawson, UEC #264 Women's Rectora

What can I say but that the Unidos en Cristo #264 weekend was incredible! When God is in control how can it be anything else?

When I was asked to consider being the Rectora for the UEC Weekend #264 I was instantly filled with fear and wanted more than anything to reply with a polite "no thank you."

I never thought of myself as a leader ... and I had seen the size of the Rectora's manual and that alone made me tremble. After much prayer and consideration God wouldn't let me be comfortable with any other response but "yes" to His invitation to serve Him.

With my "yes" came an opportunity to see God in action. It was amazing to watch Him put together each and every detail of His weekend. He put together an incredible Team of women who served Him with excellence. This Team of women became a beautiful reflection of His hands, feet, love, and grace. It was an honor to serve with them and their ministry was a blessing beyond measure. I am so glad they said "yes" when He called them to serve on the UEC #264 team.

While God readied His Team and tended to the details of the weekend, He also prompted the hearts of sponsors to invite ladies to attend the weekend in October. Because the Sponsors said "yes" to His prompting, the Weekenders did show up on Thursday evening. And because the Weekenders said "yes", they were blessed to encounter the love and grace of God in a new and unique way.

Do you notice the pattern here? When we say "yes" to God, He has an opportunity to reveal Himself to us. He gets our attention and reminds us of who He is and what He can do for us and through us.

When I think back to that phone call asking me to serve as Rectora, I still tremble a little. But now I tremble at the thought that I even considered saying "no" because I would have missed out on all He had to show me. I no longer fear saying "yes" to God when He calls me to serve Him ... instead I fear what I might miss if I respond to Him with a polite "no thank you."

The verse I chose for the weekend was Isaiah 30:21, "Your ears will hear His sweet voice behind you: 'Go this way. There is your path; this is how you should go' whenever you must decide whether to turn to the right or the left." I would encourage you to be familiar with and to trust His sweet voice. When God calls you to serve at home, work, church, or a future UEC weekend, be prepared to say yes and then also be prepared to see what incredible things He has to show you.
