

Palanca Press

Vol. 31, No. 2 June, 2014

Announcement!

Palanca Press going paperless!

Did you know that the Palanca Press costs Unidos En Cristo approximately \$2,000 of your JOG donations per issue to print and send out? In an effort to save paper and reduce costs for UEC, the council has decided to deliver the Palanca Press primarily through e-mail beginning in October. With this change you will not have to wait any longer for the paper version. It will be e-mailed directly to you. You can then review it online or print your own copy – in color!

If you have provided your e-mail address to UEC on past weekends or teams, then you will automatically be transitioned to the electronic version.

This issue will be the final paper copy you will receive unless you contact us to continue this service.

Please contact us as soon as possible, if:

- your e-mail address has changed
- you do not have e-mail
- you prefer to continue receiving a paper copy of the Palanca Press.

This issue is the final paper copy you will receive

Please send an e-mail with your

name, information, and request to database@unidosencristo.com. You may also contact Teresa at 612-270-3876 or send in your request with all of your contact information to the address listed below if you do not have e-mail access.

If you choose to receive a paper copy of the Palanca Press, please consider making a nominal donation of \$5 each year to help cover the expenses of this service. Donations can be sent to the following address:

Unidos en Cristo, 5108 W. 74th St., P.O. Box 390122, Edina, MN 55439.

If you have any questions or concerns please e-mail convenor@unidosencristo.com

Personal info not to be distributed

There are many things in life that should “go without saying” – perhaps you could even say it’s “common sense.”

Unfortunately, Unidos en Cristo must remind the 4th Day community of one of those things that should go without saying: the personal information of fellow attendees and team provided to weekenders on their weekends, and to team Rectors and Rectoras to help them build their teams, must be used as for its intended purpose and not for business purposes of any kind. Within the last year, incidents of obvious or suspected use of the lists for business or pseudo business purposes has been noted by council and other 4th Day members and brought to the attention of the UEC council.

The information is shared with a sense of trust, and we do not want people to lose that trust because some individuals ignore the intent for their own purposes, or truly act without thinking.

Membership within the 4th Day UEC Community must respect and hold closely to the understanding that any information is shared for a purpose of connection, and community and team building. To use it for any other purpose is beyond the scope of its intent, and the Council prayerfully requests all 4th Day members with access to these lists to use them for their intended purposes. If you become aware of individuals who might violate this policy, please encourage them to rethink their actions or report the inappropriate use to the Council.

Feel called to serve on a team?

If the current teams are full, send an application NOW because the November teams are forming soon. Know that guidelines recommend that you serve only once a year. That helps you honor your time, your family, your home church ministries, and your

co-workers. That helps others to be blessed by serving. You can also bless others by declining to serve in a familiar role; if called to serve in a way that you already have, ask if another role is open and grow in servanthood to God.

An alternative to serving on team is supporting the Palanca Team with setting up the Stations of the Cross, and supporting the 4th Day and Kitchen Teams by assisting with the Agape Dinner.

#265 weekend wrap-up

By Craig Stockel, UEC #265 Men's Rector

OK, so I'll say it right now for you who might be wondering: yes, UEC #265 was the "best weekend ever." And while we make that blanket statement, we know that for each Weekender and each team member, a UEC weekend's impact can be in ways that may be obvious and other ways not-so-much. UEC #265 was no different at host church St. Croix Valley UMC.

As I look in the rearview mirror, it's affirming to me how God had a hand in who he brought to the team, who he nudged to say "yes" (one or two commented that their nudge was more of God's "kick in the pants" for which they were thankful). I am grateful to those who raised their hands to serve not only in the leadership, but also those who took on other roles within the team as I saw leadership and a greater desire to serve God bubble up within many. There were a few stumbling blocks in the early stages and even at the start of the weekend that caused a few anxious moments. And even though I was called to be the rector, and even though I had very capable people in leadership,

it was clear who was in charge. It was God's weekend and He made it go JUST the way He intended it to go.

Each of the 24 weekenders who came to the weekend had their own set of expectations and burdens, most not knowing a soul in attendance. They had to trust in their sponsors that this weekend would be a good thing for their attendance. At the end of the weekend, they had new expectations of themselves: to better know our loving, faithful God through His son Jesus Christ, and to strive to build the Kingdom by "paying forward" their UEC weekend experience. I am pleased to receive e-mails and know that many of the men have taken their own initiative to get together in a renewal group. I heard several asking for forms to serve on the next weekend.

I did not seek the role of Rector, but God's plan (I must refer to the weekend's verse -- Jer. 29:11) for me in UEC was to serve this weekend. Not the last one, not the next one. Anything that happened on that weekend was not my doing, not the team's doing, but His doing. All glory and praise be His. Thanks be to God for Unidos en Cristo and how God uses this movement, and each of us, to "make a friend, be a friend, and lead a friend to Christ."

In loving memory

We joyfully celebrate the life and resurrection of each friend in Christ who has entered the Fifth Day:

JoBeth Anderson (#102) - (husband, Lynn)
 Robert Bollar (#107) - Maplewood - (wife, Judy)
 Rae Ormsby (#120) - Pine Island - (husband, Rick)
 Bob (#25) and Marilyn (#26) Thompson - Edina
 Barbara Lawrence (#244) - Hudson, WI
 Steve Gieske (#265) - St. Paul - Union Gospel Mission
 Merv E. Heitschmidt (#13) - Braham - Braham Ev. Covenant - (wife, Jan)
 Sandy Ford (#242) - Faribault - Faribault Ev. Free - (husband, Dan)
 John Mitchell (#75) - Chaska - Excelsior Covenant (wife, Donna)
 Ken Klass (#223) - Minneapolis - Hope Presbyterian (wife, Rosemary)
 Cal Chadwick (#101) - Prior Lake - Colonial Church (wife, Bev)
 Jim Anderson (#108) - Bloomington - Crosstown Covenant (wife, Marion)

If you know of a Cursillista who has entered his or her 5th Day, please e-mail information to the Palanca Press Editor (palancapress@unidosencristo.com) for inclusion in the newsletter. Others in the 4th Day Community may have no other way of knowing that their friends in Christ have entered His presence. If you provide the name and address of family, a sympathy card will also be mailed to the family. Memorials given in memory of Cursillistas will be acknowledged in the Palanca Press, unless otherwise requested. Send them to the Unions en Cristo, 5108 W. 74th St., P.O. Box 390122, Edina, MN 55439.

Weekends #267 and #268 are coming up quickly with the men beginning their weekend on Thursday, July 10, and the women on Thursday, July 17, at Peace Reformed Church in Eagan.

Prayer is a vital part of a UEC weekend. A prayer vigil by the UEC 4th Day community connects the community to the weekend and strengthens the Weekenders, team and the community alike. Have you prayed for a Weekender by name and then felt more connected to him or her as they share their UEC experience at

the Clausura? Prayer connects us to God and to each other.

The prayer vigil may be different than you have remembered from the past. When you sign up either for a specific hour or throughout the weekend, you will receive regular updates for those four days. These updates will act as a reminder to bathe the weekend in prayer and also give a glimpse of what is happening at the moment.

Please help blanket both weekends with prayer by following the instructions below.

How to participate in the Prayer Vigil:

1. Log on to www.unidosencristo.com
2. Click on "4th Day" on the bar under "Unidos en Cristo"
3. Click on "Weekend Prayer Vigil"
4. Scroll down to the Sign Up section and enter your name, phone number,

e-mail address and then sign up for Weekend #267 or #268.

5. You may choose a one-hour time slot to pray, or the entire weekend in prayer without selecting a time slot.

6. Click on "Submit Prayer Times"

7. Click on "Prayer Vigil Tips" on the sign-up page for helpful suggestions and Scripture readings

You will receive reminder emails throughout the weekend.

If you have questions, contact the Prayer Vigil Coordinator for the weekend you are committing to pray for. Thank you for your support and prayers.

Christ's hands, feet

By Craig Stockel

When one attends a UEC weekend for the first time as a Weekender, rarely do they know what to expect. Some may spend a pleasant weekend being bathed in God's love and that of His son offered by the hands and feet of Christ through 4th Dayers wanting to serve Him. Others walk away with a "mountaintop" spiritual experience based on their own walk with Christ. No matter what, most walk away with a new cadre of believers and friends who care.

Steve Gieske found that before he entered his 5th Day on May 11, 2014. Steve had recently attended UEC #265 and had reported to many that the weekend had a great impact on his life and especially to come to know God in a new and meaningful way. Sadly, a cancer Steve had fought for some time reappeared in the time around the weekend, and shortly after the Ultreya, he found himself taking treatments again. In early May, he found himself in the hospital.

What Steve also came to find out is that his newfound community of Christian brothers from UEC wanted him to know they cared. On an alert from his sponsor, a flurry of cards and encouraging notes found their way to Steve and

he read every one. His sponsor and a group of other 4th Dayers from St. Croix Valley UMC and Storm Church came to Steve's bedside to spend time in prayer, scripture, song (singing many of Steve's favorites from the weekend), and anointing. This came a mere few days before Steve left this world.

But the 4th Day community did not stop there. A group gathered for Steve's spiritual send-off, by offering praise and thanksgiving for Steve's life a week later.

There are three beautiful takeaways in this sad story: the first that somebody believed UEC would be of benefit and bless Steve – and so they made sure Steve had a sponsor to get to the weekend. Second, that Steve was able to attend the UEC weekend and have the highly meaningful experience that he did. Lastly, that the 4th Day community became the hands and feet of Christ and did a little gesture that touched Steve's life in his last few days.

Praise God from whom all blessings flow! And for all those who are witnesses of and servants for Christ with the spirit of Unidos en Cristo firmly etched in their hearts. Christ is counting on EACH of us. Amen.

#266 weekend wrap-up

By Nancy Sundeen, UEC #266 Women's Rectora

Serving God by serving the UEC Community is always a blessing for me. Every weekend, on team or not, provides new and deeper friendships, greater understanding, and great joy in watching lives turn and grow toward God.

I know that there is a higher purpose each time that I am called to serve. Sometimes that purpose is immediately clear, sometimes it eludes me until the weekend's third day, and sometimes ~ like layers of progression ~ it goes right over my head.

I was given a purpose for UEC #266: strengthen our Community by increasing a person's experience ... call women who have not served in a particular way, encourage them beyond their comfort zones and enable them to grow as Christian leaders.

A lot of names rumbled through my head and I made a list. Nine key leaders accepted quickly. Some of the same names rumbled through their heads. We tried to honor all of the team selection guidelines; we sought diversity to better serve God's Weekenders. We didn't call women who had just served and only six from any one church.

Our team formed fast; it was weird to watch it fall apart even faster. God's team formed during four plus months of preparation. It was prayer full and grace filled and we were able to shower the Weekenders and each other with God's love. We know that we are adored, beloved, cherished, precious, redeemed, and worthy. Thanks be to God.

May you soon be blessed by believing and doing the will of God. May you always continue to grow in God's love and grace.

Wall Palanca needed for all weekends

4th day community members are encouraged to send a word of appreciation to the Weekenders for all UEC weekends.

Do you remember the Wall palanca during your weekend? All renewal groups, individuals and prayer groups are encouraged to shower these Weekenders not only with our prayers but with wall palanca. The wall palanca can be as simple as a card or a very decorated poster. The main thing is for you to express God's love to the Weekenders.

You may send the posters by mail or e-mail. The mailing address for these items is:

UEC Palanca Coordinator
Dave Webb
4737 CR 101 #218
Minnetonka, MN 55345

E-mail the wall palanca to:
UECpalanca@outlook.com

This deadline for the coming weekends is July 2, 2014. It is critical to follow the deadline so there is time to download the files for the weekend. If you have any questions, contact David Webb at: UECpalanca@outlook.com.

UEC Social Media, Internet Guidelines

With the advent of social media, we have at our fingertips, at any given moment, the gift to notify the entire UEC 4th Day Community to update them how a weekend is going, for prayer, for help on a team, etc. This gift must be tempered. It is important that we use it with care and sensitivity in order to preserve the Cursillo method and protect its community within the social media arena. The UEC Council has adopted the following guidelines regarding the use of social media, strongly encouraging their application by 4th Day members serving on team:

FACEBOOK

- UEC Facebook Page – this is now a closed forum. Council will designate specific individuals on Council or support team to monitor those being accepted as “friends” to ensure they appear on the database list of UEC members. If they have not attended a UEC or UEC-type weekend, nor served on team, they should not be accepted.

Thank you for being a friend on the UEC Facebook page. Thank you for abiding by these guidelines as you spend time here.

When posting volunteer opportunities, please do not post phone numbers or e-mail addresses. Instead, invite people to privately message you or find your personal contact information in the Palanca Press.

When posting prayer requests, please do not reveal names or any information that may suggest who the prayer request is for. God knows who needs prayer. A general prayer by the rest of us is all that is required.

Team members should not take pictures of various events on a weekend and then post them anywhere on the internet. UEC is required to get permission from people before posting their picture on Facebook, on the website, anywhere. Please help us abide by this requirement. If you post pictures, they will be removed by the Facebook Administrator.

On a UEC weekend, we emphasize that it is not a place for politics, denominational or theological differences, etc. to be discussed or debated. It is a place to lift Jesus up. The same guideline goes for all social media that might be used for UEC communications.

PRAYER VIGIL ADMINISTRATION

- Facebook Use -- Specific names of those who need prayer or those who have submitted a prayer request should not be mentioned. Those reading the request should not be able to figure out exactly who the request is for. God knows and a general prayer is all that is required.

As an individual on Palanca Team is assigned the duty of prayer vigil administration to the greater 4th Day community, team members should not use cell phones to post or share weekend updates on their own.

When mentioning any specific portion of the weekend, do so with minimal facts as most if not all who might be reading the UEC Facebook page should already know about what is being written.

- Other Prayer Vigil Administration – the same approach to Prayer Vigil sign-up should be applied to other sources of Prayer Vigil Administration as above.

CELL PHONE USE

With the prevalence of cell phones within our world, it's easy to provide updates via Facebook or texting. Temptations are there to snap a quick picture of a team member or scene to share. Team members are encouraged to observe the same “restrictions” of weekenders by leaving the cell phone tucked away and be present “in the moment.” Photos should not be taken and shared electronically from any weekend activities.

It is VERY important to be sensitive when revealing information, asking for prayer, inviting volunteers in an arena where people can be easily misunderstood, where too much information can cause a sensitive situation to become public when it should always be private, etc. Too many pictures can reveal grace-filled moments to people who have not yet experienced them ... first-time team members stumbling on someone inviting a spouse to attend when it should be a surprise, etc.
