You want me to do WHAT?

By Marilynn Rarick

"I can't be on team!" was my first response when the Rectora invited me to prayerfully consider being the 4th Day Rectora. My excuses were somewhat valid in my mind.

The persistent Rectora called two more times, assuring me I could do the job even though I had never served on a 4th Day team. The weekend would be at my home church, so I was the logical 4th Day Rectora. Did I mention I had never been on a 4th Day team before?

I took the plunge, trusting that people would guide me along the way. THE MANUAL tells us to stretch ourselves as we learn new responsibilities.

At team meetings, I must have had a "deer in the headlights" look when I was asked a 4th Day question that I didn't have an answer for. Sometimes I stretched so much my eyes were going to pop!

Eventually I took a page out of the men's book and flew by the seat of my pants. Have you noticed how men don't worry about detail as much as the women ... and their weekends come together beautifully?

Wish I could say that's how our weekend was: on Thursday night the security alarm went off and the police arrived; the air conditioning fan quit working on Sunday and everyone wilted during the Clausura; the Palanca and Kitchen teams met the church mouse.

There were more problems, but I am an optimistic woman: at least the Fire Department didn't show up, we had a hilarious time filled with laughter, and I lost two pounds.

I definitely saw God's hand in everything as He controlled the details. It was all about Him and His Glory, not about me and my lack of experience. He is the honorary team member on every team, showing us His Grace as He works things together for our good.

Lying (not sleeping) on a skinny little mattress on the hard floor and not having my daily shower showed me what is important in the life of a servant of Christ: serving others in Christ's love not dwelling on my comfort.

This was a wonderful experience for me as I grew in faith, leaning on The Lord. The first-time team members can't wait to serve again and neither can I.

Pastor Mary's example for team members to be like a flexible hose in serving Weekenders was great: we truly were the "con-du-it".

Weekend applications, registrations updated

Please use the recently updated Weekend registration and Team applications which are available online at www.unidosencristo.com on the *Sponsors and Team* page.

WEEKEND REGISTRATIONS will be accepted at any time for any weekend if the weekend hasn't filled. If you wish to submit a Weekend Registration form within two weeks of an upcoming weekend, contact Del Van Batavia, Allocations Coordinator to determine if space is available. Send Weekend Registration forms to:

Del Van Batavia, UEC Allocations •
404 Union Terrace Ln. N. • Plymouth, MN 55441
vanbatavia@unidosencristo.com

The Weekend Registration fee of \$40.00 per Weekender should accompany the Weekend Registration form.

TEAM APPLICATIONS may be submitted at any time for any weekend. Submission of a team application does not guarantee placement on a team. You may contact Terri Eggleston, Leadership Training, by e-mail at eggleston@unidosencristo.com to determine if there are still team openings.

Convenor's Corner

By *Craig Stockel, convenor@unidosencristo.com*

It is simply amazing to me how quickly the year has gone. But more amazing are the weekends that have occurred (and the stories of the outcomes and effects in the lives of the Weekendenders).

God is good – all the time – and especially as He calls people to serve weekends for very specific needs.

Council Recognition

I would like to take a moment in Convenor's Corner to recognize some special individuals who have served the Council for a number of years.

It is with gratitude I say thank you as they step off of Council: Carmella Anderson, Leadership Training; Teresa Van Batavia as Council Advisor; and Cheryl Lecy, Allocations.

An equally heartfelt thank you to two who will continue on as they switch roles: Tim Powell, moving from Leadership Development to Co-convenor, and Steve Wilson, from Convenor to Convenor Advisor.

I welcome aboard the following new Council members: Steve Staloch, Leadership Development; Bonnie Clawson, Leadership Training, and Del Van Batavia, Allocations.

Others who have joined in a supporting council role include Bev Rasmussen, Banner coordinator, and Joy Bueltel, Linens Coordinator.

Wish List

Do you have a wish list, a kind of "it sure would be nice to have" list?

Not sure about you, but in my

childhood there was the "wish book" (can't remember if it was technically Sears or JC Penney). And so we waited eagerly for our Wish Book so we could make our wish list.

Although we know the real reason to celebrate and observe CHRISTmas, it is still easy in our humanness, even as adults, to be in that wishful mode of things that we desire, material things many times.

Those of you who have worked a weekend probably can identify items that need replacing on the trailer, or for use on the weekend (Agape toule and white twinkle lights, to name two). Try as we can, we can't always catch everything that needs replacing and that's where you come in.

If you have worked a weekend recently and noticed something that needs replacing or is in tough shape, can you please e-mail palancapress@unidosencristo.com so we can start a running list for all to see. Some things the council might be able to purchase as necessary, but other things can become an easy palanca item if the need is known.

One other thing on the "wish list" is a central location within the Twin Cities for trailer storage that is on hard surface, and somewhat protected from rodents.

Making Changes

UEC – like most other aspects of life – has made changes to make its operations and the weekends more efficient. Gone are the overhead

projector and those plastic sheets in favor of computers and power point presentations.

Electronic delivery of the Palanca Press saves time, hours, and dollars, and is eco-friendly.

Though a slower and tedious process, revamping of the team manuals has been on-going.

A heartfelt thank you goes out to Kathy Walker, Nancy Sundeen, and Teresa Van Batavia for countless hours spent to update the manuals.

The kitchen manual was the first to be updated (including a standardized menu option). At this writing, the others are in process as well.

The next step will be to put them out in "the cloud" so they can be downloaded by team Rector/as and team members, and reduce the numerous of hours and dollars spent in printing and assembling costs. It should also allow for more rapid updates of manuals when needed.

As the new weekends are planned, and Rector/as make calls, if you have served within the last year, please help direct them to weekenders you might have served – thus encouraging NEW cursillistas to share the joy of a weekend of service and sharing Christ's love.

Or, rather than serving on team for the weekend, come help set up and tear down the Agape dinner.

amazing GRACE

#268 weekend wrap-up

By **Sandi Dyrstad**, UEC #268 Women's Rectora

"Be still and know that I am God."

I am still in awe ... that God would call me to be rectora of UEC #268; for all the people who encouraged me along the journey; for the team He put together; how He often called me to be still and rely on Him; but mostly for what He did on the weekend, both in Weekenders and team. Grace upon grace!

Twenty-seven Weekenders blessed us far more than we could bless them. From the opening song Thursday night to the Doxology on Sunday night, they entered fully into the experience of the weekend, soaking up God's love.

If you were at the closing you heard how God touched each woman with testimonies that were gifts to the team and the rest of the 4th Day community.

Like all weekends, my concern is for each of the women as they leave the love bonds of the weekend and return to everyday life. I pray that their prayer angels, table leaders, and sponsors stay in touch with them and each of you continue to pray for them.

Our verse for the weekend was "Thy will be done on earth as it is in heaven," Matthew 6:10. Weekenders and team alike were encouraged to be still and know what God's will for each of them was.

I know His will for me was to be the hands, feet and sometimes mouth of His love as He led the weekend. Thank you for allowing me to take one of the most awesome journeys I have taken. God loves you....and so do I.

#267 weekend wrap-up

By **Brian Lee**, UEC #267 Men's Rector

As I reflected on UEC #267, I was reminded that there is no striving in God's Kingdom. However, He does want us to co-labor with Him. He will make the way and give us what we need when we need it. I became fully aware of that during preparation for the weekend and many times throughout the weekend itself.

I was also reminded that there is peace in God's Kingdom. God called each Weekender to this weekend and put them at their table. Each person at UEC #267 was chosen personally by God to experience the UEC weekend. No person, whether it be a Weekender or team member was there by coincidence, it was all a part of God's plan. Even the verse that was chosen (Psalm 126:5) was a part of God's plan.

Throughout the weekend we had talks that called us to direct our whole life to Jesus Christ. We were challenged to identify our ideals and to transform our thoughts and the way you think. We were trained to become a witness, a leader for change in our environment and to transform every situation we are in so it becomes more Christ centered. Our calling is to bring others to Jesus Christ!

The UEC #267 weekend experience was not a mountain-top experience that is going away. We learned that in our pursuit of God, He doesn't hand out "trophies". What God gives us is something called a "testimony", and we were all given the opportunity to share our testimonies as the weekend came to a close.

God has blessed me abundantly by allowing me to be the rector for the UEC #267 weekend. I thank God for each one of you.

God loves you and so do I!

In loving memory

We joyfully celebrate the life and resurrection of each friend in Christ who has entered the Fifth Day:

Jim Anderson (#108) - Bloomington - Crosstown Covenant (wife, Marion)

Harold Zwart (#203) - Shakopee - First Presbyterian - (wife, Pat)

Gary Downing (#94) - Minneapalis - Trinity Minnehaha Falls - (wife, Kathy)

Pendon Rodgers (#247) - Eden Prairie - Shiloh Temple - (wife, Joell)

If you know of a Cursillista who has entered his or her 5th Day, please e-mail information to the Palanca Press Editor (palancapress@unidosencristo.com) for inclusion in the newsletter. Others in the 4th Day Community may have no other way of knowing that their friends in Christ have entered His presence. If you provide the name and address of family, a sympathy card will also be mailed to the family. Memorials given in memory of Cursillistas will be acknowledged in the Palanca Press, unless otherwise requested. Send them to the Unidos en Cristo, 5108 W. 74th St., P.O. Box 390122, Edina, MN 55439.

Weekends #269 and #270 are coming up quickly with the men beginning their weekend on Thursday, November 6, and the women on Thursday, November 13, at Evangel UMC,

Rochester.

Prayer is a vital part of a UEC weekend. A prayer vigil by the UEC 4th Day community connects the community to the weekend and strengthens the Weekenders, team and the community alike. Have you prayed for a Weekender by name and then felt more connected to him or her as they share their UEC experience at the Clausura? Prayer connects us to God and to each other.

The prayer vigil may be different than you have remembered from the past. When you sign up either for a specific hour or throughout the weekend, you will receive regular updates for those four days.

These updates will act as a reminder to bathe the weekend in prayer and also give a glimpse of what is happening at the moment.

Please help blanket both weekends with prayer by following the instructions below.

How to participate in the Prayer Vigil:

1. Log on to www.unidosencristo.com
2. Click on "4th Day" on the bar under "Unidos en Cristo"
3. Click on "Weekend Prayer Vigil"
4. Scroll down to the Sign Up section and enter your name, phone number, e-mail address and then sign up for Weekend #269 or #270.

5. You may choose a one-hour time slot to pray, or the entire weekend in prayer without selecting a time slot.

6. Click on "Submit Prayer Times"

7. Click on "Prayer Vigil Tips" on the sign-up page for helpful suggestions and Scripture readings

You will receive reminder emails throughout the weekend.

If you have questions, contact the Prayer Vigil Coordinator for the weekend you are committing to pray for. Thank you for your support and prayers.

Wall Palanca needed

4th day community members are encouraged to send a word of appreciation to the Weekenders for all UEC weekends.

Do you remember the Wall Palanca during your weekend? All renewal groups, individuals and prayer groups are encouraged to shower these Weekenders not only with our prayers but with Wall Palanca.

Wall Palanca can be as simple as a card or a very decorated poster. The main thing is for you to express God's love to the Weekenders.

You may send the posters by mail or e-mail.

The mailing address for these items is:

UEC Palanca Coordinator
Dave Webb
P.O. Box 658
Big Lake, MN 55309

The deadline for the coming weekends is November 2, 2014. It is critical to follow the deadline so there is time to download the files for the weekend.

If you have any questions, contact David Webb at: bani78902@mypacks.net.

Meet your council members

Pastor Greg Bestland Clergy Coordinator

I was a weekender on #147 at Excelsior Covenant Church in August of 1998. I have served on many teams as one of the pastors for a weekend since 2001. I have been on ten teams, serving in the Rollo Room as a Spiritual Director and the Palanca Room as Spiritual Director.

I am one of the pastors on the council who coordinate the clergy for the weekends. As a pastor I love the fact that God uses UEC to train leaders. It is good to see weekenders grow to become the next team members serving by leading, giving Rollos and extending God's grace.

My weekend was a powerful expression of God's Grace. Some of the highlights for me were the huge amounts of Palanca from all over the world, the Saturday night Agape dinner and so MANY 4th day members who came for the Sunday night serenade/closing. The presence of God's grace just kept pouring over and over and over me. So it is with joy that I continue to say yes to be on another team to extend God's grace to new weekenders. It is a privilege to be able to serve along side of God's people.

Judy Odegaard Leadership Training

I attended UEC weekend #120 in November of 1995. I have served on three kitchen teams, three 4th Day Teams, one Palanca Team, Assistant Rectora and Rectora.

I have served on council for five years and am starting my sixth year this fall. The first two years I served as New Church Coordinator. The last three years I have served as Leadership Training Coordinator along with two others who share the position.

When I said yes to UEC I, like many, had no idea what it was about or what to expect. It had a significant impact on my Christian walk.

Since, I have said yes to Charis Ministries and served on numerous teams in Waseca for Charis for five years including leading one of the weekends. I accepted the position of Congregational Coordinator at Plymouth Covenant Church for a number of years. I also led a Women's Bible Study at PCC. God truly does not call the equipped he equips the called.

It has been my privilege and honor to serve on Council and would encourage anyone to offer your services to the UEC Council.
